

*A story telling Bio:*

*'Leading through Vision. Inspiring through Actions'*

*Mattheou Dimitrios*

Dimitrios Mattheou is the CEO | Managing Director of *Arcadia Shipmanagement Co Ltd & Aegean Bulk Co Inc*, the *Chairman of the Green Award Foundation since 2012*, as well as the *President of AHEPA Maritime Chapter HJ – 45 St' Nicholas*. He is highly recognized for his contribution as an active member of International Organizations. In particular, he is Vice Chairman of the *Hellenic Mediterranean Panel in INTERTANKO*, Lecturer in the MSc in Shipping at *University of Piraeus*, Clinical Professor and Mentor at MSc in Shipping Management at *University of Piraeus*, Lecturer at MSc in Shipping and Port Management at *University of York, Europe Campus, City College*, Executive Committee Member in *Norwegian Hull Club, INTERCARGO, HELMEPA* and *ALBA Graduate Business School*. Dimitrios is an inspiring Leader, committed to his job tasks, innovative in his roles and loyal to the corporate spirit. His management style is extremely accessible and he is a very hands-on executive officer with a 'can do' attitude that arouses inspiration and motivation in demanding and crucial working environments. Through his actions he has earned the respect of the maritime community and has been awarded three times as a Best Manager and as an Exceptional Personality (*Best Manager award / Efkranti Awards, Personality award / GREEN4SEA Awards, Personal award / Masters & Mates Union of Greek Merchant Marine*). As an experienced sailor, he has never neglected the new generation of the seafarers. Therefore, he provides frequent Industry-based tuitions for Post-graduate students as a guest Lecturer at various Academic Institutions for Maritime studies, such as the Piraeus Maritime University, the Aristotle University of Thessaloniki and the ALBA Graduate Business School.

Mattheou Dimitrios, contributes greatly to the qualitative evolution of the market and the general business community through his speeches and presentations at conferences, forums, and international events. He inspires and guides, orientates and aims towards perfection, consistency, reliability and incident-free performance. By drawing special attention to the constant and continuous effort for the improvement of an organization's ability to exceed its corporate goals and to achieve Safety and Environmental Excellence,

he emphasizes to the optimum utilization of its resources and maximum profits, as well as to honoring of all longterm commitments made to customers.
